Dear Governor:-

I have just read your article entitled "Mob Rule in Kansas" in the May 11th issue of the Saturday Evening Post.

The State of Iowa needs a "blue sky" law as much as the State of Kansas. I would appreciate it very much if you could send me a copy of the laws or give me the name of the official in your State who could furnish them for me. I am asking for this with the view of trying to get a similar statute adopted at our next legislature. We claim to be progressive in Iowa, but we need a little more "mob rule" here along the line that is effected by these laws for which I am asking copies.

Truly yours,
