*To the honorable Governor,
Mr. Stubbs of Kansas.
My dear Sir:-*

As a bond salesman who has honestly represented whom he believes to be honest men offering an honest proposition to the investing public. I am very much interested in the laws of Kansas regulating the sale of securities within its borders.

Having seen the dire consequences of wild cat stocks and bonds sold I am anxious, in the interest of the cause of justice, to do anything in my power to bring about protection to the small investor.

With this in view I am asking you to furnish me with any information you can of the laws in your state regulating corporation franchises, its methods, results, difficulties, etc.

Thanking you in advance

I am respectfully yours

Wade H. Burns
