members as well as all other underwriters and dealers to whom they may be applicable.

(d) No registered investment company shall sell any redeemable security issued by it to any person except either to or through a principal underwriter for distribution or at a current public offering price described in the prospectus, and, if such class of security is being currently offered to the public by or through an underwriter, no principal underwriter of such security and no dealer shall sell any such security to any person except a dealer, a principal underwriter or the issuer, except at a current public offering price described in the prospectus. Provided, however, That nothing in this subsection shall prevent a sale made (i) pursuant to an offer of exchange permitted by section 11 hereof including any offer made pursuant to clause (1) or (2) of section 11 (b); (ii) pursuant to an offer made solely to all registered holders of the securities, or of a particular class or series of securities issued by the company proportionate to their holdings or proportionate to any cash distribution made to them by the company (subject to appropriate qualifications designed solely to avoid issuance of fractional securities); or (iii) in accordance with rules and regulations of the Commission made pursuant to subsection (b) of section 12.

(e) No registered investment company shall suspend the right of redemption or postpone the date of payment or satisfaction upon redemption of any redeemable security in accordance with its terms for more than seven days after the tender of such security to the company or its agent designated for that purpose for redemption except—

(1) for any period (A) during which the New York Stock Exchange is closed other than customary week-end and holiday closings or (B) during which trading on the New York Stock Exchange is restricted;

(2) for any period during which an emergency exists as a result of which (A) disposal by the company of securities owned by it is not reasonably practicable or (B) it is not reasonably practicable for such company fairly to determine the value of its net assets; or

(3) for such other periods as the Commission may by order permit for the protection of security holders of the company.

The Commission shall by rules and regulations determine the conditions under which (i) trading shall be deemed to be restricted and (ii) an emergency shall be deemed to exist within the meaning of this subsection.

(f) No registered open-end company shall restrict the transferability or negotiability of any security of which it is the issuer except in conformity with the statements with respect thereto contained in its registration statement nor in contravention of such rules and regulations as the Commission may prescribe in the interest of the holders of all the outstanding securities of such investment company.

DISTRIBUTION AND REPURCHASE OF SECURITIES: CLOSED-END COMPANIES

SEC. 23. (a) No registered closed-end company shall issue any of its securities except for cash or for securities, including other securities issued by such company.

(b) No registered closed-end company shall sell any common stock of which it is the issuer at a price below the current net asset value of such stock, exclusive of any distributing commission or discount (which price shall be determined on the basis of values calculated as of a time within forty-eight hours, excluding Sundays and holidays, next preceding the time of such determination), except (1) in connection with an offering to the holders of one or more classes of its capital stock; (2) with the consent of a majority of its common stockholders; (3) upon conversion of a convertible security in accordance with its terms; (4) upon the exercise of any warrant outstanding on the date of enactment of this Act or issued in accordance with the provisions of section 18 (d); or (5) under such other circumstances as the Commission may permit by rules and regulations or orders for the protection of investors.

(e) No registered closed-end company shall purchase any securities of any class of which it is the issuer except—

(1) on a securities exchange or such other open market as the Commission may designate by rules and regulations or orders: Provided, That if such securities are stock, such registered company shall, within the preceding six months, have informed stockholders of its intention to purchase stock of such class by letter or report addressed to stockholders of such class; or

(2) pursuant to tenders, after reasonable opportunity to submit tenders given to all holders of securities of the class to be purchased; or
INVESTMENT TRUSTS AND INVESTMENT COMPANIES

(3) under such other circumstances as the Commission may permit by rules and regulations or orders for the protection of investors in order to ensure that such purchases are made in a manner or on a basis which does not unfairly discriminate against any holders of the class or classes of securities to be purchased.

REGISTRATION OF SECURITIES UNDER SECURITIES ACT OF 1933

Sec. 24. (a) In registering under the Securities Act of 1933 any security of which it is the issuer, a registered investment company, in lieu of furnishing a registration statement containing the information and documents specified in schedule A of said Act, may file a registration statement containing the following information and documents:

1. such copies of the registration statement filed by such company under this title, and of such reports filed by such company pursuant to section 30 or such copies of portions of such registration statement and reports, as the Commission shall designate by rules and regulations; and

2. such additional information and documents (including a prospectus) as the Commission shall prescribe by rules and regulations as necessary or appropriate in the public interest or for the protection of investors.

(b) It shall be unlawful for any of the following companies, or for any underwriter for such a company, in connection with a public offering of any security of which such company is the issuer, to make use of the mails or any means or instrumentalities of interstate commerce, or transmit any advertisement, pamphlet, circular, form letter, or other sales literature addressed to or intended for distribution to prospective investors unless three copies of the full text thereof have been filed with the Commission or are filed with the Commission within ten days thereafter:

1. any registered open-end company;
2. any registered unit investment trust; or
3. any registered face-amount certificate company.

(c) In addition to the powers relative to prospectuses granted the Commission by section 10 of the Securities Act of 1933, the Commission is authorized to require by rules and regulations, or order, that the information contained in any prospectus relating to any periodic payment plan certificate or face-amount certificate registered under the Securities Act of 1933 on or after the date of such title be presented in such form and order of items, and such prospectus contain such summaries of any portion of such information, as are necessary or appropriate in the public interest or for the protection of investors.

(d) The exemption provided by paragraph (8) of section 3 (a) of the Securities Act of 1933 shall not apply to any security of which an investment company is the issuer. The exemption provided by paragraph (11) of said section 3 (a) shall not apply to any security of which a registered investment company is the issuer, except a security sold or disposed of by the issuer or bona fide offered to the public prior to the effective date of this title, and with respect to a security so sold, disposed of, or offered, shall not apply to any new offering thereof on or after the effective date of this title.

PLANS OF REORGANIZATION

Sec. 25. (a) Any person who, by use of the mails or any means of instrumentality of interstate commerce or otherwise, solicits or permits the use of his name to solicit any proxy, consent, authorization, power of attorney, ratification, deposit, or dissent in respect of any plan of reorganization of any registered investment company shall file with, or mail to, the Commission for its information, within twenty-four hours after the commencement of any such solicitation, a copy of such plan and any deposit agreement relating thereto and of any proxy, consent, authorization, power of attorney, ratification, instrument of deposit, or instrument of dissent in respect thereto, if or to the extent that such documents shall not already have been filed with the Commission.

(b) The Commission is authorized, if so requested, prior to any solicitation of security holders with respect to any plan of reorganization, by any registered investment company which is, or of any of the securities of which are, the subject of or is a participant in any such plan, or if so requested by the holders of 25 per centum of any class of its outstanding securities, to render an advisory opinion in respect of the fairness of any such plan and its effect upon any class or classes of security holders. In such event any registered investment company, in respect of which the Commission shall have rendered any such advisory opinion, shall
mail promptly a copy of such advisory opinion to all its security holders affected by any such plan: Provided, That such advisory opinion shall have been received by it at least forty-eight hours (not including Sundays and holidays) before final action is taken in relation to such plan at any meeting of security holders called to act in relation thereto, or any adjournment of any such meeting, or if no meeting be called, then prior to the final date of acceptance of such plan by security holders. In respect of securities not registered as to ownership, in lieu of mailing a copy of such advisory opinion, such registered company shall publish promptly a statement of the existence of such advisory opinion in a newspaper of general circulation in its principal place of business and shall make available copies of such advisory opinion upon request. Notwithstanding the provision of this section the Commission shall not render such advisory opinion although so requested by any such investment company or such security holders if the fairness or feasibility of said plan is in issue in any proceeding pending in any court of competent jurisdiction unless such plan is submitted to the Commission for that purpose by such court.

(c) Any district court of the United States in the State of incorporation of a registered investment company or any such court for the district in which such company maintains its principal place of business is authorized to enjoin the consummation of any plan of reorganization of such registered investment company upon proceedings instituted by the Commission (which is authorized so to proceed upon behalf of security holders of such registered company, or any class thereof), if such court shall determine any such plan to be grossly unfair or to constitute gross misconduct or gross abuse of trust on the part of the officers, directors, or investment advisers of such registered company or other sponsors of such plan.

(d) Nothing contained in this section shall in any way affect or derogate from the powers of the courts of the United States and the Commission with reference to reorganizations contained in the Bankruptcy Act of 1898, as amended.

UNIT INVESTMENT TRUSTS

SEC. 26. (a) No principal underwriter for or depositor of a registered unit investment trust shall sell, except by surrender to the trustee for redemption, any security of which such trust is the issuer (other than short-term paper), unless the trust indenture, agreement of custodianship, or other instrument pursuant to which such security is issued—

1. designates one or more trustees or custodians, each of which is a bank, and provides that each such trustee or custodian shall have at all times an aggregate capital, surplus, and undivided profits of a specified minimum amount, which shall not be less than $500,000 (but may also provide, if such trustee or custodian publishes reports of condition at least annually, pursuant to law or to the requirements of its supervising or examining authority, that for the purposes of this paragraph the aggregate capital, surplus, and undivided profits of such trustee or custodian shall be deemed to be its aggregate capital, surplus, and undivided profits as set forth in its most recent report of condition so published);

2. provides, in substance, (A) that during the life of the trust the trustee or custodian, if not otherwise remunerated, may charge against and collect from the income of the trust, and from the corpus thereof if no income is available, such fees for its services and such reimbursement for its expenses as are provided for in such instrument; (B) that no such charge or collection shall be made except for services theretofore performed or expenses theretofore incurred; (C) that no payment to the depositor of or a principal underwriter for such trust, or to any affiliated person or agent of such depositor or underwriter, shall be allowed the trustee or custodian as an expense (except that provision may be made for the payment to any such person of a fee, not exceeding such reasonable amount as the Commission may prescribe as compensation for performing bookkeeping and other administrative services, of a character normally performed by the trustee or custodian itself); and (D) that the trustee or custodian shall have possession of all securities and other property in which the funds of the trust are invested, all funds held for such investment, all equalization, redemption, and other special funds of the trust, and all income upon, accretions to, and proceeds of such property and funds, and shall segregates and hold the same in trust (subject only to the charges and collections allowed under clauses (A), (B), and (C)) until distribution thereof to the security holders of the trust.
provides, in substance, that the trustee or custodian shall not resign until either (A) the trust has been completely liquidated and the proceeds of the liquidation distributed to the security holders of the trust, or (B) a successor trustee or custodian, having the qualifications prescribed in paragraph (1), has been designated and has accepted such trusteeship or custodianship; and

(4) provides, in substance, (A) that a record will be kept by the depositor or an agent of the depositor of the name and address of, and the shares issued by the trust and held by, every holder of any security issued pursuant to such instrument, insofar as such information is known to the depositor or agent; and (B) that whenever a security is deposited with the trustee in substitution for any security in which such security holder has an undivided interest, the depositor or the agent of the depositor will, within five days after such substitution, either deliver or mail to such security holder a notice of substitution, including an identification of the securities eliminated and the securities substituted, and a specification of the shares of such security holder affected by the substitution.

(b) In the event that a trust indenture, agreement of custodianship, or other instrument pursuant to which securities of a registered unit investment trust are issued does not at the effective date of this title comply with the requirements of subsection (a), such instrument will be deemed to meet such requirements if a written contract or agreement binding on the parties and embodying such requirements has been executed by the depositor on the one part and the trustee or custodian on the other part, and three copies of such contract or agreement have been filed with the Commission.

(c) Whenever the Commission has reason to believe that a unit investment trust is inactive and that its liquidation is in the interest of the security holders of such trust, the Commission may file a complaint seeking the liquidation of such trust in the district court of the United States in any district wherein any trustee of such trust resides or has its principal place of business. A copy of such complaint shall be served on every trustee of such trust, and notice of the proceeding shall be given such other interested persons in such manner and at such times as the court may direct. If the court determines that such liquidation is in the interest of the security holders of such trust, the court shall order such liquidation and, after payment of necessary expenses, the distribution of the proceeds to the security holders of the trust in such manner and on such terms as may to the court appear equitable.

PERIODIC PAYMENT PLANS

Sec. 27. (a) It shall be unlawful for any registered investment company, or for any depositor of or underwriter for such company, to sell any periodic payment plan certificate, if—

(1) the sales load on such certificate exceeds 9 per centum of the total payments to be made thereon;
(2) more than one-half of any of the first twelve monthly payments thereon, or their equivalent, is deducted for sales load;
(3) the amount of sales load deducted from any one of such first payments exceeds proportionately the amount deducted from any other such payment, or the amount deducted from any subsequent payment exceeds proportionately the amount deducted from any other subsequent payment;
(4) the first payment on such certificate is less than $20, or any subsequent payment is less than $10;
(5) if such registered company is a management company, the proceeds of such certificate or the securities in which such proceeds are invested are subject to management fees (other than fees for administrative services of the character described in clause (C), paragraph (2), of section 26 (a) of section (b) exceeding such reasonable amount as the Commission may prescribe, whether such fees are payable to such company or to investment advisers thereof; or
(6) if such registered company is a unit investment trust the assets of which are securities issued by a management company, the depositor of or principal underwriter for such trust, or any affiliated person of such depositor or underwriter, is to receive from such management company or any affiliated person thereof any fee or payment on account of payments on such certificate exceeding such reasonable amount as the Commission may prescribe.

(b) If it appears to the Commission, upon application or otherwise, that smaller companies are subjected to relatively higher operating costs and that in order to
make due allowance therefor it is necessary or appropriate in the public interest
and consistent with the protection of investors that a provision or provisions of
paragraph (1), (2), or (3) of subsection (a) relative to sales load be relaxed in the
case of certain registered investment companies issuing periodic payment plan
certificates, or certain specified classes of such companies, the Commission is
authorized by rules and regulations or order to grant any such company or class
of companies appropriate qualified exemptions from the provisions of said para-
graphs.
(c) It shall be unlawful for any registered investment company, or for any
depositor of or underwriter for such company, to sell any periodic payment plan
certificate, unless—

(1) such certificate is a redeemable security; and
(2) the proceeds of all payments on such certificate (except such amounts
as are deducted for sales load) are deposited with a trustee or custodian having
the qualifications prescribed in paragraph (1) of section 26 (a) for the trustees
of unit investment trusts, and are held by such trustee or custodian under
an indenture or agreement containing, in substance, the provisions required
by paragraphs (2) and (3) of section 26 (a) for the trust indentures of unit
investment trusts.

FACE-AMOUNT CERTIFICATE COMPANIES

Sec. 28. (a) It shall be unlawful for any registered face-amount certificate
company to issue or sell any face-amount certificate, or to collect or accept any
payment on any such certificate issued by such company on or after the effective
date of this title, unless—

(1) such company, if organized before March 15, 1940, was actively and
continuously engaged in selling face-amount certificates on and before that
date, and has outstanding capital stock worth upon a fair valuation of assets
not less than $50,000; or if organized on or after March 15, 1940, has capital
stock in an amount not less than $250,000 which has been bona fide sub-
scribed and paid for in cash; and
(2) such company maintains at all times minimum certificate reserves on
all its outstanding face-amount certificates in an aggregate amount calculated
and adjusted as follows:

(A) the reserves for each certificate of the installment type shall be
based on assumed annual, semi-annual, quarterly, or monthly reserve
payments according to the manner in which gross payments for any
certificate year are made by the holder, which reserve payments shall be
sufficient in amount, as and when accumulated at a rate not to exceed
3\% per centum per annum compounded annually, to provide the mini-
mum maturity or face amount of the certificate when due. Such reserve
payments may be graduated according to certificate years so that the
reserve payment or payments for the first certificate year shall amount
to at least 50 per centum of the required gross annual payment for such
year and the reserve payment or payments for each of the second to fifth
certificate years inclusive shall amount to at least 93 per centum of each
such year's required gross annual payment and for the sixth and each
subsequent certificate year the reserve payment or payments shall
amount to at least 96 per centum of each such year's required gross an-
nual payment: Provided, That such aggregate reserve payments shall
amount to at least 93 per centum of the aggregate gross annual pay-
ments required to be made by the holder to obtain the maturity of the
certificate. The company may take as loading at its option as and when
payments are made by the certificate holder, an amount equal to the
excess, if any, of the required gross payment or payments applicable to
the then current certificate year, over and above the specified percent-
ages required herein for such year for reserve purposes;

(B) if the foregoing minimum percentages of the gross annual pay-
ments required under the provisions of such certificate should produce
reserve payments larger than are necessary at 3\% per centum per annum
compounded annually to provide the minimum maturity or face amount
of the certificate when due, the reserve shall be based upon reserve pay-
ments accumulated as provided under preceding subparagraph (A) of
this subsection except that in lieu of the 3\% per centum rate specified
therein, such rate shall be lowered to the minimum rate expressed in
multiples of the nearest one-eighth of 1 per centum which will ac-
cumulate such reserve payments to the maturity value when due;
(C) if the actual annual gross payment to be made by the certificate holder on any certificate issued prior to or after the effective date of this Act is less than the amount of any assumed reserve payment or payments for a certificate year, such company shall maintain as a part of such minimum certificate reserves a deficiency reserve equal to the total present value of future deficiencies in the gross payments, calculated at a rate not to exceed 3½ per centum per annum compounded annually;

(D) for each certificate of the installment type the amount of the reserve shall at any time be at least equal to (1) the then amount of the reserve payments set up under section 28 (a) (2) (A) or (B); (2) the accumulations on such reserve payments as computed under subparagraph (A) or (B) of this paragraph (2); (3) the amount of any deficiency reserve required under subparagraph (C) hereof; and (4) such amount as shall have been credited to the account of each certificate holder under the terms of his certificate in the form of any credit, or any dividend, or any interest in addition to the minimum maturity amount specified in such certificate, plus any accumulations on any amount or amounts so credited, at a rate not exceeding 3½ per centum per annum compounded annually;

(E) for each certificate which is fully paid, including any fully paid obligations resulting from or effected upon the maturity of the previously issued certificate, and for each paid-up certificate issued as provided in subsection (f) of this section prior to maturity, the amount of the reserve shall at any time be at least equal to (1) such amount as and when accumulated at a rate not to exceed 3½ per centum per annum compounded annually, will provide the amount or amounts payable when due and (2) such amount as shall have been credited to the account of each such certificate holder under the terms of his certificate in the form of a credit, or any dividend, or any interest in addition to the minimum maturity amount specified in the certificate, plus any accumulations, on any amount or amounts so credited, at a rate not exceeding 3½ per centum per annum compounded annually;

(F) for each certificate of the installment type under which gross payments have been made by or credited to the holder thereof covering a payment period or periods or any part thereof beyond the then current payment period as defined by the terms of such certificate, and for which period or periods no reserve has been set up under subparagraph (A) or (B) hereof, an advance payment reserve shall be set up and maintained in the amount of the present value of any such unapplied advance gross payments, computed at a rate not to exceed 3½ per centum per annum compounded annually;

(G) such appropriate contingency reserves for death and disability benefits and for reinstatement rights on any such certificate providing for such benefits or rights as the Commission shall prescribe by rule, regulation, or order based upon the experience of face-amount companies in relation to such contingencies.

At no time shall the aggregate certificate reserves herein required by subparagraphs (A) to (F), inclusive, be less than the aggregate surrender values and other amounts to which all certificate holders may be then entitled.

For the purpose of this subsection (a), no certificate of the installment type shall be deemed to be outstanding if before a surrender value has been attained the holder thereof has been in continuous default in making his payments thereon for a period of one year.

(b) It shall be unlawful for any registered face-amount certificate company to issue or sell any face-amount certificate, or to collect or accept any payment on any such certificate issued by such company on or after the effective date of this title, unless such company has, in cash or qualified investments, assets having a value not less than the aggregate amount of the capital stock requirement and certificate reserves as computed under the provisions of subsection (a) hereof. As used in this subsection, "qualified investments" means investments of a kind which life-insurance companies are permitted to invest in or hold under the provisions of the Code of the District of Columbia as heretofore or hereafter amended, and such other investments as the Commission shall by rule, regulation, or order authorize as qualified investments. Such investments shall be valued in accordance with the provisions of said Code where such provisions are applicable. Investments to which such provisions do not apply shall be valued in accordance
with such rules, regulations, or orders as the Commission shall prescribe for the protection of investors.

c) The Commission shall by rule, regulation, or order, in the public interest or for the protection of investors, require a registered face-amount certificate company to deposit and maintain, upon such terms and conditions as the Commission shall prescribe and as are appropriate for the protection of investors, with one or more institutions having the qualifications required by paragraph (1) of section 26 (a) for a trustee of a unit investment trust, all or any part of the investments maintained by such company as certificate reserve requirements under the provisions of subsection (b) hereof: Provided, however, That where qualified investments are maintained on deposit by such company in respect of its liabilities under certificates issued to or held by residents of any State as required by the statute of such State or by any order, regulation, or requirement of such State or any official or agency thereof, the amount so on deposit, but not to exceed the amount of reserves required by subsection (a) hereof for the certificates so issued or held, shall be deducted from the amount of qualified investments that may be required to be deposited hereunder.

Assets which are qualified investments under subsection (b) and which are deposited under or as permitted by this subsection (c), may be used and shall be considered as a part of the assets required to be maintained under the provisions of said subsection (b).

d) It shall be unlawful for any registered face-amount certificate company to issue or sell any face-amount certificate, or to collect or accept any payment on any such certificate issued by such company on or after the effective date of this title, unless such certificate contains a provision or provisions to the effect:

(1) that, in respect of any certificate of the installment type, during the first certificate year the holder of the certificate, upon surrender thereof, shall be entitled to a value payable in cash not less than the reserve payments as specified in subparagraph (A) or (B) of paragraph (2) of subsection (a) and at the end of such certificate year, a value payable in cash at least equal to 50 per centum of the amount of the gross annual payment required thereby for such year;

(2) that, in respect of any certificate of the installment type, at any time after the expiration of the first certificate year and prior to maturity, the holder of the certificate, upon surrender thereof, shall be entitled to a value payable in cash not less than the then amount of the reserve for such certificate required by numbered items (1) and (2) of subparagraph (D) of paragraph (2) subsection (a) hereof, less a surrender charge that shall not exceed 2 per centum of the face or maturity amount of the certificate, or 15 per centum of the amount of such reserve, whichever is the lesser, but in no event shall such value be less than 50 per centum of the amount of such reserve. The amount of the surrender value for the end of each certificate year shall be set out in the certificate;

(3) that, in respect of any certificate of the installment type, the holder of the certificate, upon surrender thereof for cash or upon receipt of a paid-up certificate as provided in subsection (f) hereof, shall be entitled to a value payable in cash equal to the then amount of any advance payment reserve under such certificate required by subparagraph (F) of paragraph (2) of subsection (a) hereof in addition to any other amounts due the holder hereunder;

(4) that at any time prior to maturity, in respect of any certificate which is fully paid, the holder of the certificate, upon surrender thereof, shall be entitled to a value payable in cash not less than the then amount of the reserve for such certificate required by item (1) of subparagraph (E) of paragraph (2) of subsection (a) hereof, less a surrender charge that shall not exceed 2 per centum of the face or maturity amount of the certificate, or 15 per centum of the amount of such reserve, whichever is the lesser: Provided, however, That such surrender charge shall not apply as to any obligations of a fully paid type resulting from the maturity of a previously issued certificate. The amount of the surrender value for the end of each certificate year shall be set out in the certificate;

(5) that in respect of any certificate, the holder of the certificate, upon maturity, upon surrender thereof for cash or upon receipt of a paid-up certificate as provided in subsection (f) hereof, shall be entitled to a value payable in cash equal to the then amount of the reserve, if any, for such certificate required by item (4) of subparagraph (D) of paragraph (2) of subsection (a) hereof or item (2) of subparagraph (E) of paragraph (2) of subsection (a) hereof in addition to any other amounts due the holder hereunder.
The term "certificate year" as used in this section in respect of any certificate of the installment type means a period or periods for which one year's payment or payments as provided by the certificate have been made thereon by the holder and the certificate maintained in force by such payments for the time for which the same have been made, and in respect of any certificate which is fully paid or paid-up means any year ending on the anniversary of the date of issuance of the certificate.

Any certificate may provide for loans or advances by the company to the certificate holder on the security of such certificate upon terms prescribed therein but at an interest rate not exceeding 6 per centum per annum. The amount of the required reserves, deposits, and the surrender values thereof available to the holder may be adjusted to take into account any unpaid balance on such loans or advances and interest thereon, for the purposes of this subsection and subsections (b) and (c) hereof.

Any certificate may provide that the company at its option may, prior to the maturity thereof, defer any payment or payments to the certificate holder to which he may be entitled under this subsection (d), for a period of not more than thirty days: Provided, That in the event such option is exercised by the company, interest shall accrue on any payment or payments due to the holder, for the period of such deferment at a rate equal to that used in accumulating the reserves for such certificate: And provided further, That the Commission may, by rules and regulations or orders in the public interest or for the protection of investors, make provision for any other deferment upon such terms and conditions as it shall prescribe.

(e) It shall be unlawful for any registered face-amount certificate company to issue or sell any face-amount certificate, or to collect or accept any payment on any such certificate issued by such company on or after the effective date of this title, which certificate makes the holder liable to any legal action or proceeding for any unpaid amount on such certificate.

(f) It shall be unlawful for any registered face-amount certificate company to issue or sell any face-amount certificate, or to collect or accept any payment on any such certificate issued by such company on or after the effective date of this title, (1) unless such face-amount certificate contains a provision or provisions to the effect that the holder shall have an optional right to receive a paid-up certificate in lieu of the then attained cash surrender value provided therein and in the amount of such value plus accumulations thereon at a rate to be specified by the certificate, equal to that used in computing the reserve on the original certificate under subparagraph (A) or (B) of paragraph (2) of subsection (a) of this section, such paid-up certificate to become due and payable at the end of a period equal to the balance of the term of such original certificate before maturity; and during the period prior to maturity such paid-up certificate shall have a cash value upon surrender thereof equal to the then amount of the reserve therefor; and (2) unless such face-amount certificate contains a further provision or provisions to the effect that if the holder be in continuous default in his payments on such certificate for a period of six months without having exercised his option to receive a paid-up certificate, as herein provided, the company at the expiration of such six months shall pay the surrender value in cash if such value is less than $100 or if such value is $100 or more shall issue such paid-up certificate to such holder and such payment or issuance, plus the payment of all other amounts to which he may be entitled under the terms of such certificate, shall operate to cancel his original certificate: Provided, That in lieu of the issuance of a new paid-up certificate the original certificate may be converted into a paid-up certificate with the same effect; and (3) unless, where such certificate provides, in the event of default, for the deferment of payments thereon by the holder or of the due dates of such payments or of the maturity date of the certificate, it shall also provide in effect for the right of reinstatement by the holder of the certificate after default and for an option in the holder, at the time of reinstatement, to make up the payment or payments for the default period next preceding such reinstatement with interest thereon not exceeding 6 per centum per annum, with the same effect as if no such default in making such payments had occurred.

The term "default" as used in this subsection (f) shall, without restricting its usual meaning, include a failure to make a payment or payments as and when provided by the certificate.

(g) The foregoing provisions of this section shall not apply to a face-amount certificate company which on or before the effective date of this Act has discontinued the offering of face-amount certificates to the public and issues face-amount certificates only to the holders of certificates previously issued pursuant to an obligation expressed or implied in such certificates.
(h) It shall be unlawful for any registered face-amount certificate company which does not maintain the minimum certificate reserve on all its outstanding face-amount certificates issued prior to the effective date of this Act, in an aggregate amount calculated and adjusted as provided in section 28, to declare or pay any dividends on the shares of such company for or during any calendar year which shall exceed one-third of the net earnings for the next preceding calendar year or which shall exceed 10 per centum of the aggregate net earnings for the next preceding five calendar years, whichever is the lesser amount, or any dividend which shall have been forbidden by the Commission pursuant to the provision of the next sentence of this paragraph. At least thirty days before such company shall declare, pay, or distribute any dividend, it shall give the Commission written notice of its intention to declare, pay, or distribute the same; and if at any time it shall appear to the Commission that the declaration, payment, or distribution of any dividend for or during any calendar year might impair the financial integrity of such company or its ability to meet its liabilities under its outstanding face-amount certificates, it may by order forbid the declaration, distribution, or payment of any such dividend.

**Bankruptcy of Face-Amount Certificate Companies**

Sec. 29. Section 67 of an Act entitled “An Act to establish a uniform system of bankruptcy throughout the United States”, approved July 1, 1898, as amended, is amended by adding at the end thereof the following:
