

MEMORANDUM

January 5, 1978

TO: Commissioner Evans
FROM: Commissioner Loomis
RE: Applicants to be my
legal assistant

In accordance with our recent conversation, I enclose the resumes of the various people who indicated an interest in the job of being my legal assistant, except for Beverly Rubman, whom I selected. As I indicated to you, I was both surprised and pleased by the extremely high quality of the people who indicated an interest in this job. Without trying to draw any invidious distinction, I was particularly impressed with Alan Siflinger, Michael Rogan, Linda Griggs, Mark Goldfus and Elaine Loeser.
